

How to Login to OSUN's Brightspace Token-Based Authentication - Mobile

1. Open Brightspace.
2. Click "Login with OSUN ID System."
3. Type your email address.

You will be directed to this page:

Provide Token

Please provide the security token sent to you via email. Note that the token is valid for only a brief window and upon submission, all other tokens will be invalidated and removed.

Token:

Login

4. Open your email.
5. Look for an email from "ID."
6. Copy the ID Token from your email and paste into Brightspace.
